

Tennant 110

A compact walk-behind sweeper with a sweeping path of 69cm. Quick and effortless high performance at low cost, effective on hard surfaces from concrete, vinyl tile and terrazzo, to wood and asphalt. Large wheels positioned outside the frame enable you to travel over stairs and curbs. The main brush sweeps directly into the debris hopper, the side brush removes dirt and debris from edges and corners and can be raised up to assist manoeuvrability in confined areas.

Features

- Sweeps up to 2000m² per hour
- Direct throw sweeping system
- Sweeps all kind of hard flooring
- Works on wet and dry surfaces, indoors and outdoors
- Fume-free & quiet operation
- No-tool brush adjustment

Benefits

- Up to 3 times more productivity compared to manual sweeping
- High performance cleaning
- Multi-functional
- Extends cleaning time
- Environmental friendly
- Quick & easy maintenance

Applications

- Retail facilities
- Parking areas
- Small warehouses
- Contract cleaning
- Transport & logistics sector
- Workshops
- Petrol stations

Side brush can be raised up

Side brush pushes dirt into the main sweeping brush path

Easy hopper emptying
